

Tazmanian Trot Competitive Trail Ride  
25/50 mile Elevator Saturday and Sunday  
25 mile Miles Only/16 mile Novice Ride Sunday  
July 19-20, 2008  
Paint Creek State Park  
Bainbridge, Ohio

Many of you have participated in The All Kidding Aside Competitive Trail Ride put on each August by Maggie Herlensky at Paint Creek State Park. Two years ago was Maggie's last for doing the ride. We hated to see it end, so in a moment of insanity we decided to take it over. We renamed it (last year we called it the Paint Creek CTR) and have moved it to July. Same place, same trails, different time and ride name.

The ride is at Paint Creek State Park. The camp is primitive with little shade. There is horse and people water available in camp. There is no electricity. Some camp sites have picket lines. Camp is SMALL and we are no longer allowed to use the pioneer camp, so PLEASE keep electric corrals small. There will be donuts, etc., and hot drinks both days.

The trails are gently rolling with several steep short climbs. Most of the trails are wooded.

Out of state horses need proof of a negative Coggins test. All participants are responsible for knowing the rules, a copy will be available at the ride.

There will be completion awards for all riders finishing the ride. The open CTR will include 1st to 6th place awards in heavyweight, middleweight, lightweight and junior categories. There will also be a grand and reserve champion each day. Breed awards each day will include Best Arab, Best Half-Arab, and Best Of The Rest. Novice awards will include places 1-10, plus breed awards and junior placings. No awards other than completion will be given for the Sunday Miles Only ride. Other awards given at the discretion or whim of ride management.

The ride is sanctioned by OAATS and AHA. For more information go to [www.oaats.org](http://www.oaats.org).

Check in will begin at 3pm on Friday, July 18. Vetting in will begin when Maureen Fehrs gets there. Novice ride check in will be after the final hands-on on Saturday.
