June 26 & 27, 2010

Welcome to the Scioto Run Rides and Scioto Trails State Forest!

On Saturday, June 26th we will be holding a 50 mile endurance ride, the 50 mile Region 14 Endurance Championship, and a 25 mile LD ride. On Sunday, June 27th we will be holding a 25 mile LD ride! Trails used will depend on the weather and trail conditions the weekend of the ride. Trails are beautiful and of moderate difficulty but will be rocky in places so shoes are recommended. Natural or manned water available at least every 6 miles. **All the vet-checks are in camp!**

Our base camp will be the Airstrip at Scioto Trails Forest. Camping will be primitive but it's HUGE with lots of grass and very easy access even for the large rigs. Horse water only will be available at camp so please bring your own people water. Due to the primitive environment we don't provide coffee and breakfast. Entry fee includes grounds use, completion t-shirts, and awards as earned. **We will be required by the ODNR to pile all manure in one location before we leave, to please come prepared.**

POTLUCK DINNER!!! On Saturday night we will be having a potluck dinner. Please bring your own table service, chair, beverage of choice, and a side dish to share. Ride Management will provide the meat. Dinner will start at 6:30 pm with Saturday's awards at 7:00 pm. If you are planning on riding on Sunday please arrive in time to have your horse vetted in before dinner so the vets can enjoy the festivities as well.

FUN STUFF!!! Brightly colored T-shirts for everyone! Brightly colored awards for top 10 in the 50, and the LDs, BC awards for both the 50 and LDs, 1st to finish and weight divisions in the 50. Regional awards will be as supplied by Region 14.

ALSO: Ride management will be leaving for the ride on Tuesday June 23rd. If you need information you'll need to call before then to reach someone. [Day of ride entries will be accepted.](#) Cell phones may not work in base camp.

Negative coggins required for all out of state horses within 12 months.

Directions: There are many routes depending on your location. From North of Cincinnati take I 71 North to US 35 East. Follow US 35 East to Chillicothe and take US 23 South to Scioto Trail State Forest, which will be on the East side of the road with a large sign. Turn into the forest entrance and follow the main route 4.2 miles to right onto Airport Road. (It's the only way you can turn and there's a firehouse at the intersection). Follow Airport Road 3/10 of a mile to left turn into base camp. We'll have signs posted but alas, they sometimes manage to sprout legs and walk away.

Fees include all camping! No additional fees to those interested in Cross-Entering the Region 14 Ride!
